Office Memorandum • UNITED STATES GOVERNMENT

Acting Chief. D/E

DATE: 9 Feb 1956

25X1A9a

FROM :

SUBJECT: Hotification of Executive Committee meetings.

25X1A9a

request I called Mr. Kramer to ask why not notified of the last Executive Committee meeting.

¥9.6 25X1A9a

Mr. Kramer said that he had been out of the office (at school in the State Department) for two weeks and that he didn't knew just what had happened but that for some reason the notifications were made "up front" and not by his secretariat staff. He thinks it was just an oversight that CIA was not notified.

25X1A9a

is on the list to be called and in the He assures us that future his own staff will be doing the calling so there shouldn't be any slips.
